

G&G SURFACE TECHNOLOGY
AZIENDA CERTIFICATA / QUALITY SYSTEMS CERTIFIED
CERTIFICATO No. / CERTIFICATE N.: 14/0681

MATERIAL SAFETY DATA SHEET

Conforms to Regulation (EC) 1907/2006 and according to Regulation (EC) 1272/2008

MSDS Creation Date: 13/07/2011

MSDS Date of Revision: 30/06/2016

Product Name: LUBRO WHITE/RED WB ECO

Code: from 01.21.L0250W to 01.24.L20000W and 01.21.L0250R to 01.24.L20000R

Bottles: 250ml/500ml/1000ml/5000ml/10000ml/20000ml

1. IDENTIFICATION OF THE SUBSTANCE AND OF THE COMPANY

Product Description: Lubricating agent for lapping and polishing of industrial and metallography. Different color (based on different type).

Company Identification: Name and address: G & G Surface Technology

Phone: +39 0385 272022 Fax: +39 0385272606

E-mail: info@gegindustry.com Internet: www.gegindustry.com

Emergency tel. no : . +39 0385 272022

2. HAZARD IDENTIFICATION

2.1 Classification of the substance according to Reg. 1272/2008 [CLP / GHS] and s.m.a.

The preparation does not meet the classification criteria set out in Reg. (EC) 1272/08

Classification of the substance according to Directives 67/548 / EEC and 1999/45 / EC and s.m.a.

The preparation is not classified as dangerous

2.2 Label elements

Nobody

2.3 Other hazards

Results of the PBT and vPvB assessment

Not applicable

3. COMPOSITION, INFORMATION ON INGREDIENTS

Substance or composition of the solution:

Water and glycol

for use in surface finishing of precision industry and metallography.

pag .: 1/4

AZIENDA CERTIFICATA / QUALITY SYSTEMS CERTIFIED

CERTIFICATO No. / CERTIFICATE N.: 14/0681

4. FIRST AID MEASURES

Eye contact: Wash with plenty of water for at least 15 minutes. See a doctor .

Skin contact: Wash with soap and water, may cause skin irritation, if irritation or symptoms persist seek medical advice.

Ingestion: Rinse mouth with water, may cause irritation to mucous membranes, if irritation or symptoms persist seek medical advice. Do not induce vomiting.

Inhalation: May cause irritation, move the exposed person to fresh air.

5. FIRE

Extinguishing Media: Use extinguishing media appropriate to the surrounding fire conditions.

Special hazards arising from the substance or mixture: Burning produces irritating, toxic and obnoxious.

Advice for firefighters: If necessary, wear suitable respiratory equipment.

6. MEASURES IN CASE OF ACCIDENTAL

Behavior in water: miscible.

Spill: Do not empty into drains.

Cleaning procedure: Absorb with absorbent material. Wash spill area with detergent solution.

WASTE DISPOSAL: Dispose in accordance with a recognized method of chemical disposal.

7. HANDLING AND STORAGE

Handling: It is advisable to manipulate in accordance with good industrial hygiene practices, using standard protection and eye protection.

Storage: Store in a cool, dry place. Extreme temperatures should be avoided

8. EXPOSURE CONTROL AND PERSONAL PROTECTION

Personal protective equipment

Protective measures: Wear protective clothing.

Respiratory protection: Ensure good ventilation.

Eye protection: safety glasses.

Hand protection: PVC gloves.

9. PHYSICAL AND CHEMICAL

Appearance: liquid

Melting point: not determined

Boiling point: not determined

Flash point: not applicable

Solubility in water: soluble

10. STABILITY 'and Reactivity'

Stability: Stable in normal conditions of use

Conditions to avoid: No data available.

Incompatibility with other materials: No data available.

11. TOXICOLOGICAL INFORMATION

We are not in possession of any quantitative data on the toxicity of this product. The product should be handled with the usual caution observed with chemicals.

12. ECOLOGICAL INFORMATION

This product is not harmful to aquatic organisms. It has not been tested. The statement has been derived from the properties of the individual components.

Mobility in soil: No data available

This product is not miscible in water.

13 DISPOSAL OF THE PRODUCT

Dispose according to a recognized method of chemical disposal and packing material

Disposal according to regulations. Contaminated packaging materials are to be treated as the product itself.

14. TRANSPORT INFORMATION

This product is not classified as dangerous in any mode of transport.

US ADR, IATA, RID / ADR: No information available. A # ----

15. REGULATORY INFORMATION

No EEC: Not applicable.

EEC Symbol: Not applicable.

16. ADDITIONAL INFORMATION

The above information is based on our current knowledge and serves to describe the product in terms of safety measures that must be implemented.

The user must be instructed in the proper work procedure and be familiar with the content.

The information provided does not constitute a warranty regarding the properties of the product and do not result in a legally valid contractual relationship ..
